- As you may be aware I'm going to India on the 17th February for 10 days, I will be working/helping alongside Grace Bethel ministries in their church and orphanage. I will be travelling in a team of 9 which have all had experience of life on mission. I will be based mainly in the orphanage, but will also have the opportunity to visit local villages and join in with the church meetings. I would like to thank everyone who has helped me raise the money I needed to pay for India. The whole team would be grateful of your prayers as we finish getting ready for India and for our time out there. God Bless Gareth.
